Subject: Street Vending Hearing 10/27

Good Morning,

Although the Chief Legislative Office has not yet released an updated street vending framework, the Economic Development Committee has set a hearing to discuss it on Tuesday, October 27.

Our grassroots coalition has now grown to over 1,100 mom and pop businesses across the city. While this won't be the only opportunity to speak on the issue, we'd like to present a strong showing from our coalition members and supporting groups. I hope you can join us as we advocate for an opt-in system with community-supported zones that is regulated and fully enforced.

Tuesday, October 27 at 1:00 PM
Los Angeles City Hall, Council Chambers, 3rd Floor
